Dear Livingston County 4-H Friend,

The 2012 Livingston County 4-H small animal science program, also known as Paws & Claws, is busy planning for the upcoming program year. The program provides educational opportunities throughout the year for 4-H members interested in rabbits, poultry, and dog projects. 4-H members are provided the opportunity to learn and develop valuable life skills through the raising and showing of a small animal.

The program is seeking your generous sponsorship to help support its educational efforts. Sponsorship will help cover expenses associated with the program and the Hemlock and Caledonia Fairs. The program and its 4-H members are extremely appreciative of your support!

We will greatly appreciate any amount of sponsorship that you are able to provide. With a minimum sponsorship of \$25, we will print your business card or name in our fair show programs as a thank you for your support. Simply include your business card with your donation.

Please complete the form below and send with your business card and tax deductible donation by May 1<sup>st</sup> to:

Please feel free to contact me with any questions at 585-658-3250 or [mjw16@cornell.edu](mailto:mjw16@cornell.edu).

Thank you in advance for your support of the 4-H Paws & Claws Program!

Sincerely,

Mark Wittmeyer
